Characterisation Services Special Conditions

1 General

Status and effect 10

10.1 These Special Conditions are the Characterisation Services Special Conditions applicable to any Service within the Characterisation Service Option and have effect as described in the Conditions of Contract set out in Schedule 1 of the Waste Services Contract.

Introduction 11

11.1 As operator of the Repository LLWR is seeking to preserve the capacity and so extend the operational life of the Repository by securing alternative waste treatment and disposal routes. LLWR has developed the Characterisation Service Option identified as Characterisation Services in furtherance of this objective to offer the Customer characterisation and segregation services for waste including consultancy, sampling, analysis, interpretation, routing and measurement.

Identified and defined terms 12

12.1 Unless the contrary is expressly stated, terms used in these Special Conditions have the meanings given in the Conditions of Contract.

Interpretation 13

13.1 The principles of interpretation set out in the Conditions of Contract apply to these Special Conditions.

2 Quotation and acceptance

Characterisation Services Form 20

20.1 The Customer informs LLWR when it requires Characterisation Services in accordance with the Characterisation Services Documents, by issuing a Characterisation Services Form to LLWR.

20.2 The Characterisation Services Form contains any necessary information for the formulation of the Service Information and includes a description of the Waste to be characterised.

Characterisation Service Quotation	21	
	21.1	Within thirty (30) Working Days of LLWR receiving a Characterisation Services Form, LLWR authorises and sends a completed Characterisation Services Quotation to the Customer.
	21.2	The Characterisation Services Quotation forms the Service Information for the purpose of these Special Conditions.
Purchase Order	22	
	22.1	Where the Customer accepts the Characterisation Services Quotation, the Customer issues a Purchase Order to LLWR complete with the signed Characterisation Services Quotation.
	22.2	Within 15 Working Days of receiving a signed quotation, LLWR procures that its Subcontractors submits a programme to the Customer Representative for acceptance. The Customer advises the Service Manager of any reasonably required amendments to the Characterisation Services.
	22.3	If the Customer requires any amendments to the Characterisation Services other than a change to a Key Date, LLWR reserves the right to amend and re-issue the Characterisation Services Quotation. The Customer accepts the revised Characterisation Services Quotation by re-issuing a signed Quotation and, if necessary, a new Purchase Order.
	22.4	Nothing in these Special Conditions obliges LLWR to respond to a Characterisation Services Form received after expiry of the Service Period or otherwise not submitted in accordance with these Special Conditions.

3 Price and Service Price Adjustment

Charges for Characterisation Services	30	
	30.1	Assessments dates occur at the times and in the circumstances prescribed in the applicable Service Information.
	30.2	On each assessment date the sum included in the Price for Services Provided to Date is calculated in accordance with the applicable Service Information.
