This notice is to provide confirmation to Customers of the LLW Disposal and Supercompactable Waste Treatment Service Pricing revisions that come into effect for consignments delivered on or after the 1<sup>st</sup> April 2014.

**LLW Disposal Price Increase**

For waste consignments delivered after 31<sup>st</sup> March 2014 the Volume Charge for LLW Disposal Services will increase in line with RPI for the period December 2012 to December 2013, equivalent to 2.7%. This increases the Disposal Charge from £2,911/m<sup>3</sup> to £2,990/m<sup>3</sup>.

The Volume Charge increase results in equivalent increases under the Disposal Charges for Supercompactable Waste. The Overweight Charge for containers and the Radioactivity Charges remain unchanged.
