

Introduction

Further to Customer Notice LLWR-CN-2015-20, (Risk of Water Ingress to TC01, TC03 & TC08 Containers) that was distributed by LLWR on the 9th September 2015. Packaging Services have identified the 164 containers currently in operation that are affected by this event.

The Customers who are the Custodians of these containers will have received an email notification (on Friday 18th September) advising them of the measures to take to prevent water ingress to their affected containers. If you have not received an email notification you are NOT the Custodian of any affected containers and this event does NOT affect your site.

Further Information and Questions

If you require any further information or have any queries relating to this Customer Notice, please send an e-mail to: transportandlogistics@llwrsite.com or contact Package Services on 01946 770301.
