

Introduction

This notice informs customers that Standard Waste Loading Plan 15 (SWLP 15), which applies to 210 Litre Drums on a code XL Conveyance, has been temporarily withdrawn from use and has therefore been removed from the LLWR website.

SWLP 15

Following the recent issues with SWLP 15 we have decided to temporarily withdraw it whilst it is reviewed and prepared for re-issue.

LLWR would appreciate it if customers could defer preparing or making shipments using SWLP 15 until the revised document is published. We apologise for any inconvenience this may cause.
