

Introduction

Following on from Customer Notice LLWR-CN-2017-16, LLWR hereby inform customers that the TC14 and TC19 Certificate of Approvals have been revised to incorporate new up-issued Packing and Handling instructions. The amended Packing and Handling Instructions implement additional control for operating both the TC14 and TC19 package designs. Please circulate this information to all relevant personnel within your organisation.

Amendments to the Packing and Handling Instructions

TC14 (OM-3409278_MECH_00001_E) and TC19 (OM-3409278_MECH_00005_C) Packing and Handling instructions includes an annotated photograph showing lid clamp assembly and additional checks have been included for pre-filling and pre-shipment inspections.

Transitional Arrangements

The up issued Certificate of Approval IP-2/GB/TC14/IP-96 (**Issue 8**) and IP-2/GB/TC19/IP-96 (**Issue 6**) along with the up-issued Packing and Handling instructions have been uploaded to the LLWR Website and will be valid from the 1st July 2017. The new licenses permit the transport of both drum designs manufactured prior to and after 25th May 2017.

The validity period for the current license under TC14 Certificate of Approval (Issue 7) with Operational Concession OCC160 is valid until the 30th June 2017.

The validity period for the current license under TC19 Certificate of Approval (Issue 5) with Operational Concession OCC163 is valid until the 30th June 2017.

Note: -Expired concessions and dated licenses will be removed from the website by close of business on the 30th June 2017.

Further Information and Questions

If you require any further information regarding permitted contents or usage, please contact the Packaging Services Technical Team at transportandlogistics@llwrsite.com or call on 019467 70301.
